Computer Imaging Fees

Hard Drive / USB Flash Drive / SD Card **\$1,000 Flat Fee**

Forensic image and verification of hash codes for one (1) specimen storage device off site at Carney Forensics lab facilities. Capacity not to exceed 1TB (1000GB). Includes three (3) months of secure storage for image. Physical media of specimen is shipped back to client. This price also includes a Files List spreadsheet delivered by e-mail and Chain of Custody documentation. If the forensic image exceeds a capacity of 1TB, an additional cost of \$500 will be charged for each additional terabyte (1TB). An additional charge of \$250 applies to encrypt the forensic image with a passcode and encryption key for security.

Shipping: USPS Priority Mail ground shipping of media from Minnesota is standard.

Mobile Device Examination **\$400 / hour**

Estimated time to examine a mobile device is 8 to 12 hours off-site at Carney Forensics lab facilities. If there are no difficulties with power, data port, password, encryption, or phone damage, charges will be close to 8 hours. If the goal of the examination includes obtaining deleted data or specialty mobile app data, additional hours may be required. Minimum charge is eight hours.

Expert Witness Courtroom Testimony **\$500 / hour**

Our hourly rate applies to trial preparation and courtroom testimony for trial or hearing. It includes waiting time and actual time testifying or performing digital forensics services in a courtroom setting. Minimum charge is four hours.
